

GIVING SECURITIES TO NATIONAL CAPITAL TREATMENT & RECOVERY

Thank you for considering a gift of securities to National Capital Treatment & Recovery. To facilitate electronic transfer, receipt, and proper acknowledgment of your gift, please provide your broker these delivery instructions.

It is very important that you also complete the form below and e-mail, mail or otherwise deliver it to us. Stock is very often received by our broker without the donor's identity included, so completion of this simple form will help us identify your gift quickly. If you prefer, you can simply e-mail the information about your gift to jkost@natcaptreatment.org.

If you have stock certificates in hand, please contact Jeff Kost for instructions. Also, if the value of your securities has declined since you purchased them, it may be to your advantage to sell them and give the cash proceeds instead. Please check with your own professional advisor for details.
